Spec Sheet

35 ft Green Molded Cat5e UTP Patch Cable

StarTech ID: M45PATCH35GN

This 35ft Cat5e UTP Patch Cable meets or exceeds all Category 5e specifications, and features a durable (green) jacket that simplifies departmental color coding while providing rugged flexibility for network connections.

To ensure long-lasting performance, our Cat5e UTP Patch Cables offer PVC molded strain relief that prevents the RJ45 connector termination points from bending at sharp angles - reducing the risk of decreased network performance due to cable damage.

The patch cable is constructed of only top quality materials (100% copper conductors, 24 gauge wire, 50 micron gold connectors) to ensure top performance and is backed by our Lifetime Warranty.

Applications and Solutions

- Connects workstation to wall outlet
- Patches from hub to distribution panel

Features

• Coloured Hoods for departmental colour coding
• StarTech Category 5e patch cables are carefully constructed and tested, to keep the Near End Crosstalk (NEXT) well within acceptable limits
• StarTech Category 5e Patch cables are constructed with top quality components
• The Strain relief prevents the cable from being bent at sharp angles at the connector to minimize the stress at the plug termination point

Technical Specifications

• Warranty: Lifetime warranty
• Connector A: 1 - RJ45 Male
• Connector B: 1 - RJ45 Male
• Color: Green
• Product Length: 34.99 ft [10.67 m]
• Maximum Cable Length: 328 ft [100 m]
• Network Cable Type: Molded
• Carton Quantity: 40
• Shipping (Package) Weight: 0.84 lb [0.38 kg]
• Connectors: RJ45 Male, RJ45 Male
• Length: 35 ft. [10.7m]
• Cable: 24 AWG, 4 pair UTP, general building use (CMG), FT4 fire rating, type CM (UL) certified, meets TIA/EIA 568B industry standards, Category 5e patch cable

RoHS Compliant Available
